

Calling ALL Restaurants

for the

Weeks Bay Foundation's

11th Annual "Party for Preservation!"

Saturday, April 25, 2020 -- 4 p.m. - 7 p.m.

Tonsmeire Weeks Bay Resource Center

Join the Party and reach **thousands** of potential new customers.

How many?

1,400+ attendees

2,000+ *Pelican Post* magazine readers

4,500 e-news subscribers

6,500 Facebook followers

1,000 Instagram followers

and 10s of thousands through Bald Eagle Bash paid advertising

And just for fun, we'll throw in the opportunity for your customers to learn that you care about the land, the water, the wildlife and their habitat, and the air we breathe. Your participation will ensure that the **Weeks Bay Foundation** continues to protect and preserve wetlands, water, and wildlife throughout Baldwin and Mobile counties.

About Bald Eagle Bash

The 11th Annual Bald Eagle Bash--the Alabama Gulf Coast's Party for Preservation--is Saturday, April 25, 2020 at the Tonsmeire Weeks Bay Resource Center. This signature event for the **Weeks Bay Foundation** delivers great food, great music, and a great time, all in one of the most beautiful settings on the coast. The "Bash" includes fresh Gulf shrimp prepared by the area's best chefs and restaurants, a low country shrimp boil, delectable desserts by area bakers, beer from Fairhope Brewing Company, and a great selection of wine.

The MUSIC is always a big draw, and 2020 will be no exception. For the first time, we will have TWO local bands--**The Underhill Family Orchestra** and **The Marlow Boys!** Native to the Alabama delta, **The Underhill Family Orchestra** has been described as "outright anthemic," with compositions that make you want to "paint your face, forget your age, and kiss a stranger." Their arm-swinging, foot-stomping, Appalachia-inspired sound, with its sultry and soulful four-part vocal arrangements, offers a unique take on the southern sound for which Alabama is known. **The Marlow Boys**, Joe and Karl Langley (Kyle & Karl Band) Stan Foster (Rollin' in the Hay, Deluxe Trio) and Phil Proctor (Dog River Boys, Deluxe Trio) have been playing together since 2014. Collaborating on original songs, their music is both personal and universal, acoustic and electric, serious and, as one person said, "Good people, good music."

About the Foundation

We are a nationally-accredited land trust working to save the land, water, wildlife, and critical habitats of south Alabama, while providing environmental education and outreach. The **Weeks Bay Foundation** was incorporated in 1990 as a non-profit organization to support the **Weeks Bay National Estuarine Research Reserve** in its efforts to conserve the pristine coastal area of Baldwin County. The Foundation, with the support of over 700 members, generous donors and event sponsors, has protected more than 7,200 acres along the waters' edges within Baldwin and Mobile counties. The land we protect can never be developed, and will remain forever wild.

How Your Restaurant Can Help

Bald Eagle Bash is the Foundation's principal fund raiser, and provides revenue to protect the waterways, wetlands, and wildlife of south Alabama. Your support will make a significant difference in our ability to fulfill our mission. We hope you will join other restaurants in the effort to preserve and protect our little slice of heaven on earth by becoming a sponsor, or by sending a gift in support of our mission.

The 2020 Bald Eagle Bash will be a **Taste of the Gulf Coast** featuring shrimp. Shrimp will be provided and the value will be in excess of your entry fee. The amount of shrimp will be determined based on the number of participating restaurants and the anticipated attendance. The entry fee for each restaurant is \$250. It is a charitable donation for your business. You will also receive five tickets. Participating restaurants will be included in all publicity and media promotions, including the Bald Eagle Bash website, Facebook, Instagram, and our electronic and printed newsletters.

A representative from each participating restaurant will be required to attend a brief informational meeting to discuss details. We welcome your input at this time.
